TO PEACE OF MIND

## Rheem's New Leasing Program makes it easy to stay in hot water.

You have enough things to worry about each day – don't let hot water be one of them. Instead, rest easy knowing Rheem has you covered. The RheemCare Leasing Program eliminates unexpected expenses and large up-front costs associated with replacing or upgrading your water heater. One low monthly fee includes your selected water heater, installation, and any future potential service, repair and replacement costs.

Getting started is easy! **Call 908-259-6622** to schedule a consultation with our trusted service provider. After reviewing water heater options that best suit your needs and budget, they will walk you through the sign up process, and schedule or complete your installation. Then relax! You'll have a top of the line product backed by a comprehensive service package from the brand you can trust.
