ENDEAVOR®

Innovation You Can Count On

Patented industry-first features and 360+1 design make the Rheem Endeavor WP15AZ a smart choice.

Peace-Of-Mind Performance

Relax, you're covered by a dependable warranty¹—5 Year Parts and 10 Year Conditional Compressor.

Reduced Emissions

Households generate 72%² of greenhouse gas emissions, so switching to a heat pump can make a big difference for the environment—today.

Less Environmental Impact

The 7mm condenser coil³ reduces refrigerant requirements up to 15%. This lowers the amount of greenhouse gases emitted while contributing to Rheem's sustainability goal of a 50% reduction in our greenhouse gas footprint by 2025. A win for all of us.

Durable Curb Appeal

Louvered side panels provide excellent protection to internal components, while modern cabinet aesthetics, including the powder coat paint system and one-piece drawn and painted base pan, prevent corrosion—allowing your unit to put its best face forward for years to come.

Quiet Operation

Efficient home comfort shouldn't be noisy. That's why our heat pumps are designed with acoustics in mind. Sound-dampening features such as refrigerant tubing design, fan blade approach, composite base pan and innovative compressor and drive technologies ensure that as efficiency goes up, sound levels stay low.

SOUND RATING⁴

THIS MODEL

Among Heat Pumps, This One's A Star⁵

Earning ENERGY STAR[®] recognition means products meet strict energy efficiency guidelines set by the U.S. Environmental Protection Agency. ENERGY STAR certified heating and cooling equipment can enhance the comfort of your home while saving energy—which saves money on utility bills and protects our climate by reducing harmful carbon pollution and other greenhouse gases.

FEATURES AT A GLANCE

Cooling & Heating Efficiency Up To:

16 SEER2 / 11.7 EER2 / 8.1 HSPF2

Nominal Sizes: 1.5 to 5 Tons

Cooling & Heating Capacities:

13.36 to 45.6 kBTU

EcoNet[®] Enabled: No

Sound Rating⁴: As low as 72 dB

Compressor Type: Two-Stage

Condenser Coil Type: 7mm³

PlusOnes:

PlusOne[®] Expanded Valve Space – Provides a minimum working area of 27-square in.

PlusOne Easy Service Access – 15 in. wide industry leading corner service access, two-fastener removable corner and easily removable individual louver panels

Limited Warranty¹:

Parts – 5 Years

Conditional Compressor – 10 Years (registration required)

TESTED. TRUSTED. TOUGH.

From the smallest part to complete comfort systems, we build quality into everything we make so we can be sure it's tough enough to deliver the ultimate performance you can count on day after day, year after year. That reliability is what makes Rheem different—and better.
