Rheem® Light Duty Commercial Hybrid Electric Heat Pump

HEAT PUMP TECHNOLOGY

The Light Duty Hybrid Electric HPWH pulls heat energy from the air around it to heat water, making it the most efficient water heater on the market² with up to a 4.07 UEF

GET THE SMARTEST, MOST EFFICIENT ELECTRIC WATER HEATER IN ITS CLASS. AVAILABLE IN 40- 50-, 65- AND 80- GALLON MODELS

- Delivers more hot water per hour than most standard electric water heaters
- Eligible for available utility rebates
- High efficiency, up to 4.07 UEF
- Demand Response Ready for easy connection to utility programs
- 27 GPH recovery capacity

EASY TO INSTALL & SERVICE

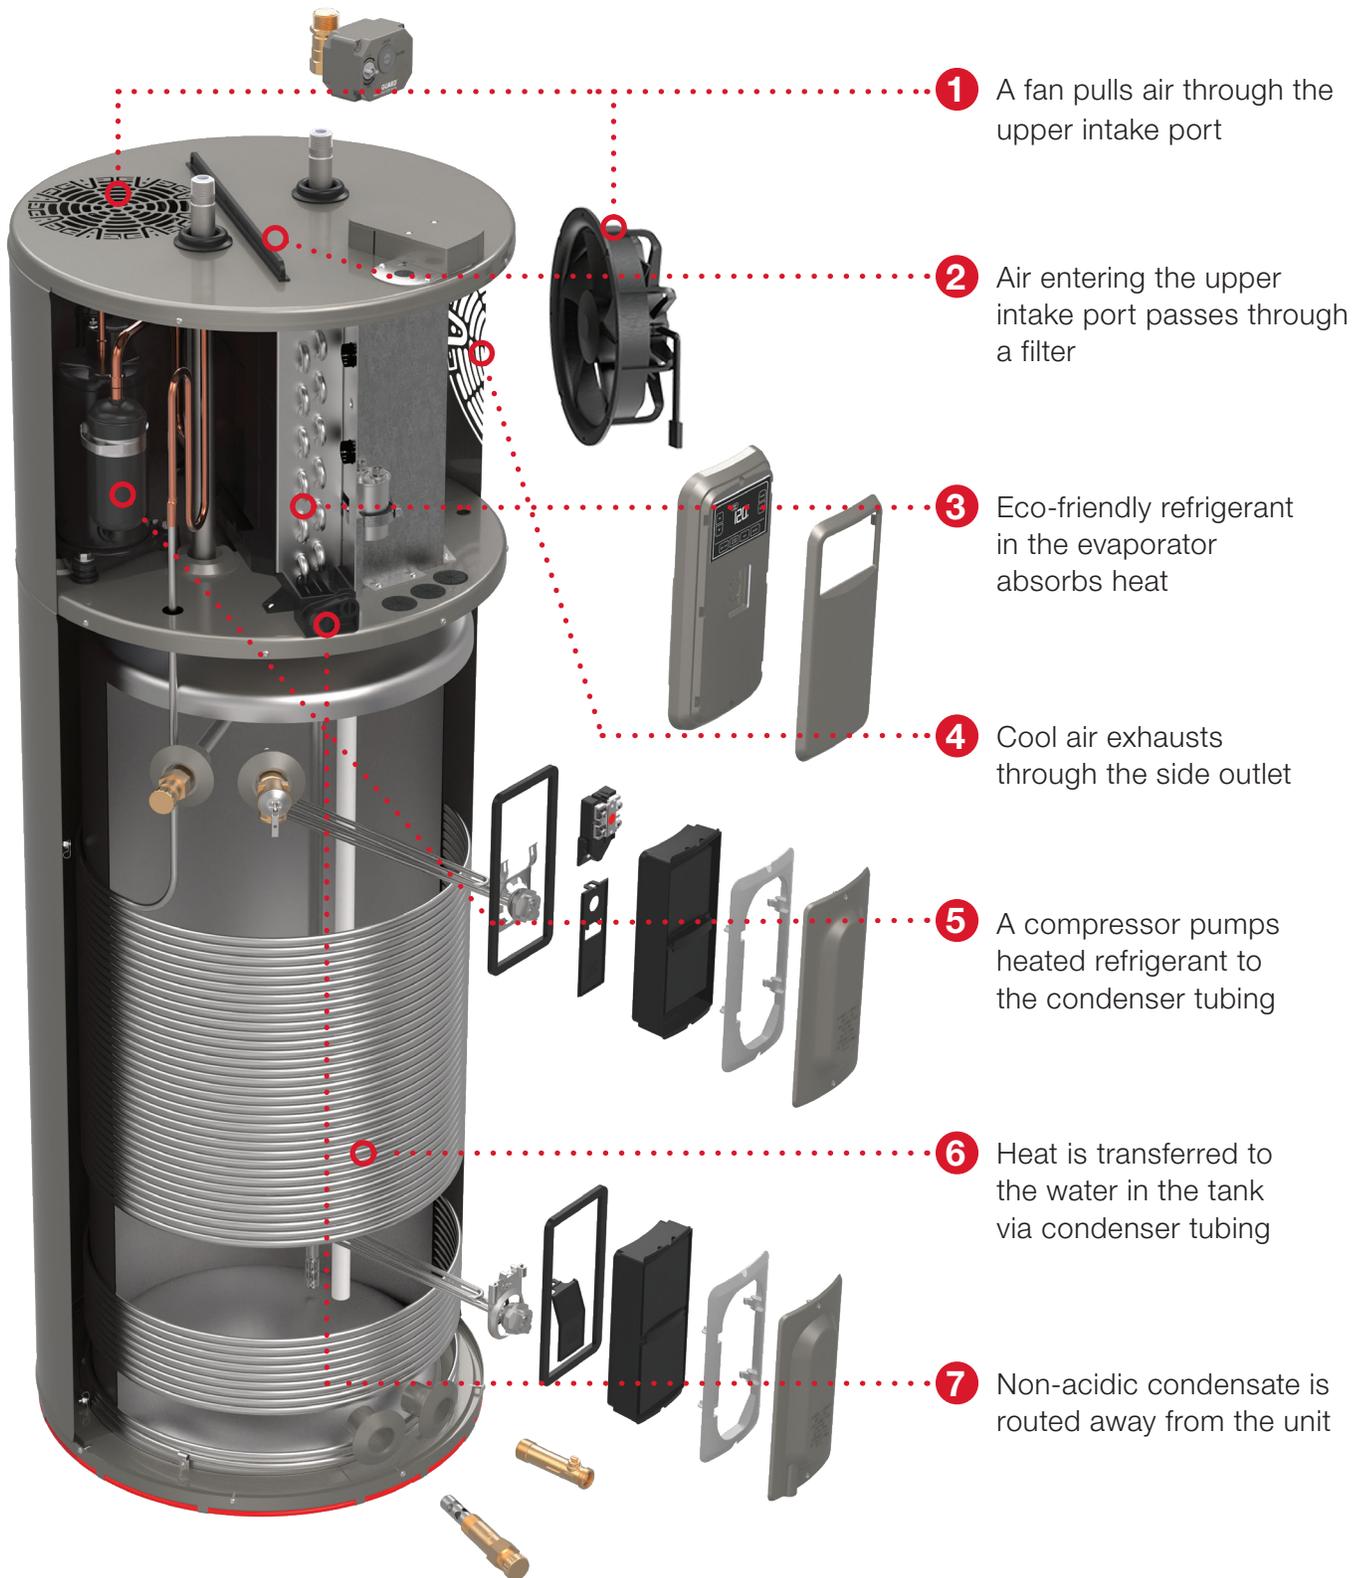

- Easily replaces a standard electric water heater
- Duct ready – inlet and exhaust
- Easy access to side connections and to electrical junction box
- 3/4" NPT water inlet and outlet; 3/4" condensate drain connections
- Easily accessible, top-mounted washable air filter
- Enhanced-flow brass drain valve

BUILT-IN PROTECTION & INTELLIGENCE

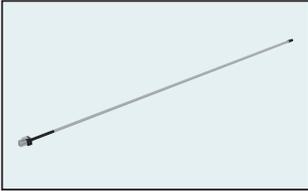

- Integrated Wi-Fi¹
- LeakGuard™ and LeakSense™ accessory ready
- EcoNet® Smart Monitoring System, providing energy reports and system alerts to your mobile phone
- Various energy efficient operating modes
- Built-in EcoPort™ (CTA-2045 port)

¹Wi-Fi broadband Internet connection and EcoNet® App required; Notifications are dependent on external factors beyond Rheem's control.

Accessories

Leak Sensor (AP19134) – Automatic detection of internal and external leaks
– Installations in seismic regions

Shut-off Valve (AP20180) – Automatic shut off of water supply to unit

Inlet Duct Adapter (SP21105) – Allows for ducting to be connected on the top inlet

Outlet Duct Adapter (SP17829) – Allows for ducting to be connected to the unit

Earthquake Isolation Kit (SP20882)
– Installations in seismic regions

Vibration Isolation Kit (SP20883) – Installation on non-concrete floors

8" Diameter UL Certified Termination Kit (SP20883) – Termination to the outside or to the attic with 8" diameter

7" Diameter UL Certified Termination Kit (SP20885) – Termination to the outside or to the attic with 7" diameter

6" Diameter UL Certified Termination Kit (SP20886) – Termination to the outside or to the attic with 6" diameter

5" Diameter UL Certified Termination Kit (SP20887) – Termination to the outside or to the attic with 5" diameter

8" Rheem Approved Damper Kit (SP20888) – Exhaust only to the outside ducting configuration (no inlet duct)

25' Flexible 8" Diameter Duct Kit (SP20889) – For up to 25' of ducting

Rigid Elbow Duct Kit (SP20890) – Installation in tight places where space needs to be minimized

UPGRADE KIT – Add leak detector and shutoff valve to protect from water damage

Leak Sensor & Shut-off Valve Kit (SP21111) – Upgrade to protect your customers businesses from water damage with leak detection and auto shutoff valve

Financing & Support

INCREASE SALES WITH CONVENIENT CREDIT OPTIONS

The Rheem® *KwikComfort*® Financing suite of programs is designed to do one thing: help you increase sales by making it even easier for your customers to get their new Rheem Water Heating system. It includes features and benefits that will appeal to you and your customers. Three different *KwikComfort Financing* programs are available:

Residential KwikComfort Financing—

via Synchrony Bank—helps homeowners purchase Rheem equipment on a budget-friendly payment plan—which allows you to increase sales, sell larger projects, broaden your customer base and create repeat business. Plus, Rheem and Synchrony offer:

- Training for selling based on customer needs
- Instant online application and a convenient payment estimator tool
- Reporting tools to track applications and billing, making financing easy

Residential KwikComfort Second Look Financing—

via Fortiva™ Retail Credit—lets you offer financing to credit-challenged homeowners turned down by a primary lender. So, more customers can purchase Rheem products—plus, pay for additional repairs, product upgrades and services, helping you:

- Increase sales opportunities
- Sell larger purchases and upgrades
- Attract customers and create repeat business

Commercial KwikComfort Financing—

via Fernwood Capital™ & Leasing—provides financing options for business owners and national accounts, so you can:

- Increase sales with more affordable equipment
- Improve rate of repeat business
- Receive faster payment to your company
- Increase profits by selling monthly payments, not total cost

Why Rheem Commercial?

Application Consulting

Put the power of our portfolio to work for you. Rheem Commercial Water is your source for any commercial hot water need. If you need assistance with sizing or product selection our teams of application engineers are ready to assist you.

Project Consulting

Collaborate with experts who will provide specialized solutions tailored to meet your needs.

Equipment Selection

We develop and maintain product application sizing charts for all commercial products.

Piping Diagrams

2D and 3D support with creation of project quotes showing relevant specifications.

Sizing Reports

Product application sizing and design solutions within 48 hours.

Contact us now to get started.
