

# NEXTalks with Ryan Leak

## The Game of Inches

We hope you enjoyed the first video of the *NEXTalks* Series, *The Game of Inches* by Ryan Leak. This video focused on the Pursuit of Excellence Pillar, which ties directly to our Acting with Responsibility Value. Our goal is to not only present you with valuable content but hopefully allow you the opportunity to consider how this information can be applied directly to your life.

Please read through the following questions and think about what you learned today and how to apply those learnings for your future.

### **Every task, every project, every interaction is a chance to move the needle forward.**

- What does excellence look like in your role?
  - How do you show up?
  - How do you collaborate?
  - How do you serve your customers and colleagues?
- Which rule will you apply today?
  - Awareness
  - Collaboration
  - Intentionality
  - Authenticity
  - Accountability
  - Resilience

### **The real difference between good and great isn't just knowing what to do—it's actually doing it.**

- So—what's your next inch?

For more questions on how you can improve your Game of Inches, reach out to your manager and set up a discussion.
