# ENDEAVOR™

## We Thought of Everything... & Then Some

We evaluate every detail of a product from top to bottom, inside and out and every angle in between. That's 360+1. And that's why you can count on this heat pump to bring you and your family years of efficient and dependable comfort.

## Innovation You Can Count On

Patented industry-first features and 360+1 design make the Rheem Endeavor RP14AZ a smart choice.

### Peace-Of-Mind Performance

Relax, you're covered by one of the best warranties in the industry<sup>1</sup> – 10 Year Conditional Parts.

### Less Environmental Impact

The 7mm condenser coil<sup>2</sup> reduces refrigerant requirements up to 15%. This lowers the amount of greenhouse gases emitted while contributing to Rheem's sustainability goal of a 50% reduction in our greenhouse gas footprint by 2025. A win for all of us.

### Reduced Emissions

Households generate 72%<sup>3</sup> of greenhouse gas emissions, so switching to a heat pump can make a big difference for the environment—today.

### Durable Curb Appeal

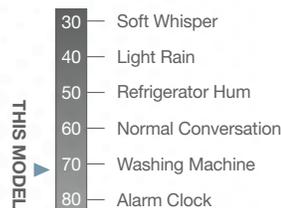

Curved louvered panels and rugged corner posts provide excellent protection to internal components, while the overall modern cabinet aesthetics including the corrosion-resistant composite base pan and powder coat paint system allow your unit to put its best face forward for years to come.

### Quiet Operation

Efficient home comfort shouldn't be noisy. That's why our heat pumps are designed with acoustics in mind. Sound-dampening features such as refrigerant tubing design, fan blade approach, composite base pan and innovative compressor and drive technologies ensure that as efficiency goes up, sound levels stay low.

#### SOUND RATING<sup>4</sup>

## FEATURES AT A GLANCE

**Cooling & Heating Efficiency:**  
14.3 SEER2 / 9 EER2 / 7.5 HSPF2

**Nominal Sizes:** 1.5 to 5 Tons

**Cooling & Heating Capacities:**  
17.1 to 55.5 kBTU

**EcoNet<sup>®</sup> Enabled:** No

**Sound Rating<sup>4</sup>:** As low as 72 dB

**Compressor Type:** Two-Stage

**Condenser Coil Type<sup>2</sup>:** 7mm

#### PlusOnes:

**PlusOne<sup>®</sup> Expanded Valve Space** – Provides a minimum working area of 27-square in.

**PlusOne Triple Service Access** – 15 in. wide industry leading corner service access, two-fastener removable corner and easily removable individual louver panels
