

# The Rheem Contractor App – Your Favorite Tool Just Got **UPGRADED**

Not only does the Rheem® Contractor App offer specialized tools to simplify your job, but it now makes it easier than ever to install Rheem equipment via Bluetooth® technology. Designed specifically for contractors, the app offers an intuitive experience that simplifies equipment setup, diagnostics and repair—all while saving you time and money.

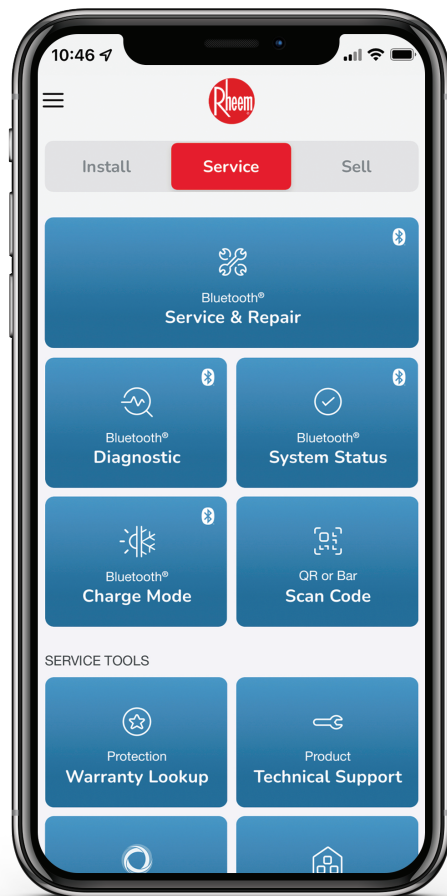

## Getting Started Is Easy!

Downloading the Rheem Contractor App is simple. You can either:

- Use your phone's camera to scan the QR code below—or on the equipment you're installing—and follow the instructions

OR

- Access the Google Play Store or Apple App Store on your smartphone, search for "Rheem" and download the app

## Ultimate Convenience Meets Total Control

Bluetooth® enabled Rheem equipment, including all of our new Endeavor™ Line, needs to be set up via the Contractor App—and it couldn't be easier! The App is intuitive and offers everything you need for a stress-free experience from the convenience of your phone, resulting in:

- Up to 54% faster installation<sup>1</sup>
- Up to 62% faster diagnostics<sup>1</sup>
- Simple servicing and repairs
- Energy and money saved with every installation

In addition to simple setup and troubleshooting, the app also makes it easy to:

- Sell products
- Offer financing, rebates and extended warranty
- Verify and look up warranties
- Submit CashBack claims
- Access product documents
- And more!

Scan to download now and  
**start optimizing your experience**
